

Let's Fun.

**BIRTHDAY
MINUTE-TO-WIN-IT**

WHO ARE THE MASTERS OF FUN?

Let's go! Let's get outside; let's do bad versions of cartwheels. Let's make the getting old more fun and then it might not seem so...hard. Let's sneak fun in the back door and let everyone remember how much fun it is to have him around.

Maybe then we'll sneak fun into family time and friendships. For one day, one hour, let's drop our guard and pick up our fun. Let's let out that inner child. Let's go.

Let's Fun.

WORD ON THE STREET.

"SO much fun! Love that the winning team is not based purely on who finishes the race first, it keeps you guessing & strategizing all the way to the end! Loved it!"

Michele McCulloch

"Hilarious. What a fantastic concept! We'll be back but next time we'll bring the boys, they won't stand a chance!"

Prue Atkins

"Just wanted to take a moment to say thank you from me and my whole race group. Everyone had an absolute blast. It made for such a great day!! Many thanks to you Samm for doing a great job AND helping to make what was my best birthday yet!!

Lara Alford

"I just wanted to say a massive thank you! Everyone had an amazing time and thoroughly enjoyed the day! I had a brilliant time with my mates so thanks again!!"

Karen Ewels

It was a great day! Even the sceptics of the group were totally thrilled at what fun they/we all had. We loved every bit of it. Every single person had a great time and became involved in getting their team across the line. Jason and I received so much praise for organising such a fantastic day out. Brett is definately in the right job! Our awards ceremony was outrageously funny!

THE GAME.

This is a chance to let your hair down, get silly, laugh-out-loud, and capture some hilarious moments on film forever. We take the fast paced challenges from the hit TV show **Minute-To-Win-It** and turn them into an afternoon of exciting competition. These wacky and often challenging tasks will have your team in stitches.

Our Minute-To-Win-It game is all about fun! Our challenges have been specifically designed to test team's strengths in the fields of creativity, dexterity, lateral thinking, planning and of course, teamwork! Just like the TV Show we take common household items and use these items in ways you'd never expect. How fast can you eat a Tim-Tam covered in vegemite? Or empty an entire tissue box, tissue by tissue, using only one hand? Can you contort your face to get a chocolate biscuit from your forehead into your mouth - no hands? Minute-To-Win-It is an entertaining collection of up to 12 games that allow everyone to shine. Points will be awarded for the top performing teams for each challenge. The introduction of a double up card gives teams the chance to double up points for one chosen activity. Not all of the games will involve all players so teams have to strategise and put forward the best candidates while the others coach from the sideline. This event is staged as if in an arena, making this an exhilarating event for participants and spectators alike. Our Minute-To-Win-It will have the girls buzzing allowing the group to bond and form new friendships for the rest of the hens celebrations and beyond!

WHAT TO EXPECT.

HILARIOUS HOSTS. Your host will make you forget about the real world for a while and get lost in the game. They're all professional actors so they're great with people and aren't afraid to have a laugh. They'll make your day.

EATING CHALLENGE. Every exciting game needs an element that will churn your stomach! Whether it is a weird combination of foods you'd never dream of putting together or something that is straight up gross, those that put their hand up for this challenge will feel like heroes!

PHOTO OPPORTUNITIES. You'll definitely walk away at the end of the day with a camera roll full of photos of your team in hilarious situations and poses. After all, you've gotta have something for the gram...

PUZZLE SOLVING. If you're in to solving puzzles, Sudoku, crosswords, riddles, and Words With Friends, then there'll be plenty of juicy left-brain puzzles for you to think your way through.

SOME OF THE CHALLENGES.

STICKY BEAK – Your challenge is to transport 8 cotton balls from 1 bowl to the other across the room... using only your nose... dipped in Vaseline. Too much Vaseline and the cotton bud won't come off – too little and it will drop off before you reach the other table.

TIM TAM SLAM – Timed food relay with an Australiana Theme. How quickly can you eat a Tim Tam covered in Vegemite?

TIN TOWERS – Using only 10 meters of Aluminium Foil teams need to construct a freestanding tower as tall as possible. Team with the tallest tower wins.

PEDOMETER DANCE – Team members will need to move around ferociously in an attempt to make a pedometer counter reach as high as possible.

CRYPTIC CONES – A collection of 8 cryptic questions are placed under 10 cones. To complete this challenge your team will need to answer four correctly.

NEED-TO-KNOW STUFF.

START TIME. Anytime subject to availability!

Please arrange for the group to meet us 15mins before the start time.

DUARTION (APPROX.) 2-2.5 hours

START LOCATION. This event requires a private function room (or similar) with enough space for everyone to be able to move around and play the games. The venue also needs to be relatively quiet or provide a microphone so that our hosts can run the games.

TEAMS. For groups of less than 20 we suggest teams of 3-5 people. For more than 20 people, teams of 4-6 are great. It doesn't matter if some teams have more or less than others; but try to keep it as even as possible. Your host can randomly select your teams on the day, or you can bring a team list if you want to make your own teams.

WEATHER. We do anti-rain dances as often as we can to ensure the sun shines on us most days, however we operate regardless of Mother Nature's mood. In fact, our events can even be more fun in the rain, but please come prepared. In the event of wet weather we will provide super-glamorous ponchos. Please discuss absolute washout scenarios with us.

WHAT YOU NEED TO BRING.

CAMERA - To capture all the fun on film forever!

THEME - encourage everyone to come dressed up in theme or colours. Ask us for suggestions

WHAT YOU DON'T NEED TO BRING.

All you need to organise is getting your group to the start location and any catering you'd like for after/during the game, and we'll take care of everything in between: from all of your game materials & challenges, to prizes & professional hosts. This is meant to be fun for you too, so we make it as easy-peasy as possible!
