

Let's Fun.

**THE HENS
SURVIVOR OLYMPICS**

WHO ARE THE MASTERS OF FUN?

Let's go! Let's get outside; let's do bad versions of cartwheels. Let's make the hens party more fun and then it might not seem so...henney. Let's sneak fun in the back door and let everyone realise how much fun it is to have all the girls around.

Maybe then we'll sneak fun into the wedding, the baby shower and your 25th year anniversary. For one day or one hour, let's drop our guard and pick up our fun. Let's put away our serious wedding planner pouty-faces and let's go.

Let's Fun.

WORD ON THE STREET.

"SO much fun! Love that the winning team is not based purely on who finishes the race first, it keeps you guessing & strategizing all the way to the end! Loved it!"

Michele McCulloch

"Hilarious. What a fantastic concept! We'll be back but next time we'll bring the boys, they won't stand a chance!"

Prue Atkins

"Just wanted to take a moment to say thank you from me and my whole race group. Everyone had an absolute blast. It made for such a great day!! Many thanks to you Samm for doing a great job AND helping to make what was my best birthday yet!!"

Lara Alford

"I just wanted to say a massive thank you! Everyone had an amazing time and thoroughly enjoyed the day! I had a brilliant time with my mates so thanks again!!"

Karen Ewels

It was a great day! Even the sceptics of the group were totally thrilled at what fun they/we all had. We loved every bit of it. Every single person had a great time and became involved in getting their team across the line. Jason and I received so much praise for organising such a fantastic day out. Brett is definately in the right job! Our awards ceremony was outrageously funny!

THE GAME.

Outwit, outplay, outlast. Based on challenges from the hit TV Show Survivor we have created a raucous 2-3 hours of fun, games and adventure! From Giant Slingshot to Balloon Centurion our multifaceted games will **challenge**, **surprise** and **entertain** your team on their quest for ultimate glory!

Survivor Olympics is a high-energy competitive event that keeps the whole group together for the duration of the game. All challenges have been specifically designed to test team's strengths in the fields of creativity, dexterity and lateral thinking. The success of each team will entirely depend on their performance in six unique challenges as they compete to win a place in our final playoff. The introduction of a double up card will give teams the chance to double up points for one chosen event. Our final playoff is a multi-faceted spectacle that will send one team to ultimate glory!

Survivor Olympics is the perfect accompaniment to a BBQ or picnic and can be conducted at a suitable outdoor location of your choice. We can also be flexible with the duration of this event to suit your requirements. For a thrilling outdoor activity where we come to you, our Survivor Olympics is an outrageous day of fun and bonding that will have your friends raving for months!

THE CHALLENGES.

HILARIOUS HOSTS. Your host will make you forget about the real world for a while and get lost in the game. They're all professional actors so they're great with people and aren't afraid to have a laugh. They'll make your day.

EATING CHALLENGE. Every exciting game needs an element that will churn your stomach! Whether it is a weird combination of foods you'd never dream of putting together or something that is straight up gross, those that put their hand up for this challenge will feel like heroes!

PUZZLE SOLVING. If you're in to solving puzzles, Sudoku, crosswords, riddles, and Words With Friends, then there'll be plenty of juicy left-brain puzzles for you to think your way through.

TIN TOWERS. This is one for the budding engineers in the group. Using just 10 meters of tin foil teams need to work together against the clock to create the tallest possible free-standing tower.

FLY AROUND THE WORLD. Teams will first need to build the best paper plane they can in under 1 minute. The distance that the plane travels will determine how many of our carefully selected flags of the world they need to solve.

BALLOON CENTURION. All teams are allocated coloured balloons. In a confined space teams must work together to ensure one of their balloons is the last to be popped. This game goes off with a bang as balloon seeking members set off on a popping rampage. It's fun, exciting and a little bit scary. Last 3 individuals standing receive points for their team.

GIANT SLING. Your team must work together in earning balls to use for our giant sling. With a maximum of 10 balls teams will aim at a targeted area. The closer your ball gets to the bulls eye the higher your teams points.

PHOTO OPPORTUNITIES. You'll definitely walk away at the end of the day with a camera roll full of photos of your team in hilarious situations and poses. After all, you've gotta have something for the gram... #ifidontpostaphotodiditevenhappen?

PICNIC OR BBQ IT UP. The game works really well in conjunction with a BBQ or picnic either before or after the game.

NEED-TO-KNOW STUFF.

START TIME. Anytime! *Please arrange for the group to meet us 15mins before the start time.*

DURATION (APPROX.) 2-2.5 hours

LOCATION. We require an outdoor venue such as a park or field about the size of a double tennis court. Please note that some parks require permits/hire fees.

TEAMS. For groups of less than 20 we suggest teams of 3-5 people. For more than 20 people, teams of 4-6 are great. It doesn't matter if some teams have more or less than others; but try to keep it as even as possible. Your host can randomly select your teams on the day, or you can bring a team list if you want to make your own teams.

WEATHER. We do anti-rain dances as often as we can to ensure the sun shines on us most days, however we operate regardless of Mother Nature's mood. In fact, our events can even be more fun in the rain, but please come prepared. In the event of wet weather we will provide super-glamorous ponchos. Please discuss absolute washout scenarios with us.

WHAT YOU NEED TO BRING.

CAMERA – To capture all the fun on film forever!

THEME – encourage everyone to come dressed up in theme or colours. Here is a link for some suggestions: <http://greatrace.com.au/hens-themed-dress-up-ideas/>

WHAT'S INCLUDED. Everything you need to play the game! From all your game materials & checkpoint challenges, insurance, prizes & professional hosts. All you need to organise is getting your group to the start location and any catering you'd like for after the game, and we'll take care of everything in between. This is meant to be fun for you too, so we make it as easy-peasy as possible!
